## 1 It all starts here

When the dawn was rising in the early morning, a fumbling text was written to express the conciousness of the mind, its alliteration of the word, for the creation of a sample text. With sentences long, it might not be the optimal version, however, it will do just right.

## 2 This is cool

Yes, I said it!  $\text{\LaTeX}$  is cool!

$$\begin{bmatrix} a & b \\ a & b \end{bmatrix}$$
